Top Ten College Cars

collegecarguide.com — So what exactly makes a car a "college car?" First off, it does not necessarily have to be in the hall of fame as a driver's car. In fact, some of these could be the worst driver's cars possible. A college car has to be affordable, because the stereotypical non Ivy League student is supposed to be... (Submitted by mkek814)

Asus ARES: Fastest Graphics Card Ever Shatters Benchmarks

hothardware.com — Quite simply, the Asus ARES is the fastest graphics card we have ever tested. The ARES' combination of dual-Radeon HD 5870 GPUs and 4GB (2GB per GPU) of fast GDDR5 frame buffer memory resulted in killer PC gaming performance across the board. It's freakin' fast with a capital F... (Submitted by HotHardware)

[10 Things I Learned From 'Freaks and Geeks'](#)

[tvsquad.com](#) — It's been 10 years since 'Freaks and Geeks' ended (the finale aired July 8, 2000). Looking back at the show, it's evident that the short-lived series had a pretty profound impact on pop culture. There was something for everybody in 'Freaks and Geeks' and its themes still resonate today. (Submitted by [BaddBrainz](#))
