

## A r t i c l e s

A miscellany of articles that I've written over the last while. I hope you enjoy them.

### [An Introduction to Ajax](#)

Provides a brief introduction to [Ajax](#) discussing topics such as the [XMLHttpRequest](#) object, and [JSON](#).

### [An Introduction to Microformats](#)

Provides a brief introduction to microformats through an examination of two popular formats: [hCalendar](#) and [hCard](#).
